

Welcome to our latest BestTransport Newsletter.

As we mentioned in our last edition, we want to inform, educate, and even occasionally amuse you. Our team is deeply embedded in the transportation management solutions (TMS) industry, and we're constantly on the lookout for the latest information about the world in which we—and you—make our living. We hope you'll click through the links below and see what's happening around the country, and around the world.

Please feel free to share your thoughts, interesting links, or industry observations. We love to hear from you! Drop us a note at [newsletter@besttransport.com](mailto:newsletter@besttransport.com)

**Meet Senior Analyst: Cathy Roberson**

**TMS By The Numbers:**

This month we're pleased to introduce you to Cathy Roberson, Senior Analyst with Transport Intelligence, a research and consulting company for the global logistics and supply chain industry. Cathy brings years of insight into many areas of the transportation and logistics world. She shares her insights with us here at BestTransport at <http://americaslogistics.blogspot.com/>. You can also follow her on Twitter @cmroberson06.

In a typical month, 150,000 loads are dispatched through BestTransport.

If you're interested in how BestTransport is helping its many customers to save money and improve efficiencies, we've prepared this document that shows you our "TMS by the Numbers".
