

LETTER FROM THE CEO

The year 2013 brought a lot of positive change to the industry, including [BestTransport](#). As you will read in one of this newsletter's featured articles, shipping is growing again, showing an improving—if not quite recovered—economy. 2013 was a time for growth for BestTransport also, as we added new customers, extended our product set, and prepared for significant product and service announcements you'll be seeing in 2014.

For our customers, this means you can be secure in your conclusion that you've made the right choice for a best-in-class [transportation management solution](#). For those of you who are not yet a customer, we look forward to earning your business with our exceptional cloud-based TMS solution and solid support staff.

As we go through the year, we will continue to keep you abreast on industry trends and topics of interest with our newsletters and webinar series. We will also keep you up to date on our new products and [services](#), some of which will “change the game”. From everyone here at BestTransport, we wish you all continued success and growth in 2014. We look forward to making this the BEST year yet!

Best wishes for a successful New Year,

Mike Dolan,
President and CEO
